Product Image

Intended Use

For patient treatment and monitoring, the Lid for Male Urinal Bulbous is made from eco-friendly biodegradable kraft material, intended for use as a cap fitted over the opening of male urinal bulbous to prevent spillage and reduce odour.

Storage

Keep in a cool, dry place, away from heat, flames, and sunlight.

User Guide

Remove the lid from Male Urinal Bulbous before use.

Place the Male Urinal Bulbous between the legs for urination.

Dispose the Male Urinal Bulbous with lid directly into macerator or empty the content from the Male Urinal Bulbous before disposing into appropriate waste bins.

WARNING

Any serious incident related to the device must be reported to the manufacturer and to the competent authority of the Member State in which the user is established.
