Product Image

Intended Use

For patient treatment and monitoring, the Food Grade Injection Tray with 200ml rated capacity is made from eco-friendly biodegradable sugarcane bagasse, intended for use as multi-purpose tray to carry syringes and other medical items. It is designed with smooth inner finishing and meshed outer surface for extra grip. Do **NOT** pour alcohol-based solutions into the Injection Tray.

Storage

Keep in a cool, dry place, away from heat, flames, and sunlight.

User Guide

Place surgical items on the Injection Tray.

After use, dispose the Injection Tray into macerator or appropriate waste bins.

WARNING

Any serious incident related to the device must be reported to the manufacturer and to the competent authority of the Member State in which the user is established.
