Product Image

Intended Use

For patient treatment and monitoring, the General Purpose Bowl Graduated with 3L rated capacity is made from eco-friendly biodegradable kraft material, intended for use as a general bowl to rinse towels and/or to hold several litres of water. It is marked with graduation levels ranging from 500ml to 3000ml. Do **NOT** dispose towel into macerator.

Storage

Keep in a cool, dry place, away from heat, flames, and sunlight.

User Guide

Fill the General Purpose Bowl with water to the required level.

Wet or rinse the towel with water inside the bowl.

After use, pour away the water.

Dispose the General Purpose Bowl directly into macerator or into appropriate waste bins.

WARNING

Any serious incident related to the device must be reported to the manufacturer and to the competent authority of the Member State in which the user is established.
