UDI-DI	95510204300458

Product Image

Intended Use

For patient treatment and monitoring, the Maxi Slipper Pan Liner Graduated with 2L rated capacity is made from eco-friendly biodegradable kraft material, intended for use as fracture receptacle for urine and/or faeces. To use the maxi slipper pan liner on the bed, place it over a plastic support. Do **NOT** dispose the plastic support into macerator.

Storage

Keep in a cool, dry place, away from heat, flames, and sunlight.

User Guide

Place the Maxi Slipper Pan Liner over the plastic maxi slipper pan support.

Slide the Maxi Slipper Pan Liner with support under the buttock. To prevent spills, place a sheet of incontinence pad under the Maxi Slipper Pan.

After use, remove the Maxi Slipper Pan Liner with support, place a lid cover over it to contain the odour and sight.

Dispose Maxi Slipper Pan Liner directly into macerator or empty the content from maxi slipper pan liner before disposing into appropriate waste bins.

WARNING

Any serious incident related to the device must be reported to the manufacturer and to the competent authority of the Member State in which the user is established.
