Intended Use

For patient treatment and monitoring, the Male Urinal Bulbous with 1L rated capacity is made from eco-friendly biodegradable kraft material, intended for use as male urine bottle with large opening for easy access and long neck for patient to hold it comfortably. It is designed with uniform and sturdy base for it to stand on flat surfaces. It can also be fitted with an adaptor for use as Female Urinal Bulbous.

Storage

Keep in a cool, dry place, away from heat, flames, and sunlight.

User Guide

Place the Male Urinal Bulbous between the legs for urination.

Dispose the Male Urinal Bulbous directly into macerator or empty the content from the Male Urinal Bulbous before disposing into appropriate waste bins.

WARNING

Any serious incident related to the device must be reported to the manufacturer and to the competent authority of the Member State in which the user is established.
