Description	Injection Tray 2-Compartment 2000ml Disposable Medical Pulp
Product Part Number	T2C2000
Ordering Item Code	101xxxT2C2000 (xxx – To be assigned upon order)
UDI-DI	95510204302056

Product Image

Intended Use

The Food Grade Injection Tray with 2 compartments is made from biodegradable sugarcane bagasse for patient care and monitoring. It organises ampoules in the small compartment, and instruments, dressings, wipes, creams, and other items in the large one. Smooth inner finish and meshed outer surface provide grip. Do **NOT** pour alcohol-based solutions into the tray.

Storage

Keep in a cool, dry place, away from heat, flames, and sunlight.

User Guide

Place surgical items on the Injection Tray.

After use, dispose the Injection Tray into macerator or appropriate waste bins.

WARNING

Any serious incident related to the device must be reported to the manufacturer and to the competent authority of the Member State in which the user is established.

Disclaimer:

All products specifications, illustrations, drawings, images, dimensions, performance data and other information on our Instructions for Use or made available by us are subjected to change without notice and they are intended to represent no more than a general illustration of the products intended use and their features and do not constitute a warranty or representation by us that the products will conform with the same. Products that are shipped to you may vary from these images or specifications.
