Intended Use

For patient treatment and monitoring, the Food Grade Instrument Tray with 1000ml rated capacity is made from eco-friendly biodegradable sugarcane bagasse, intended for use as multi-purpose tray to carry surgical instruments, dressings, wipes, creams and other medical items. It is designed with smooth inner finishing and meshed outer surface for extra grip. Do NOT pour alcohol-based solutions into the tray.

Storage

Keep in a cool, dry place, away from heat, flames, and sunlight.

User Guide

Place surgical items on the Instrument Tray.

After use, dispose the Instrument Tray into macerator or appropriate waste bins.

WARNING

Any serious incident related to the device must be reported to the manufacturer and to the competent authority of the Member State in which the user is established.
