Reduce Risk of Infection

Midi Slipper Pan Liner Graduated 1300ml Biodegradable Medical Pulp

The Midi Slipper Pan Liner with 1.3L rated capacity is made from eco-friendly biodegradable kraft material, intended for use as fracture receptacle for urine and/or faeces. To use the midi slipper pan liner on the bed, place it over a plastic support.

Manufactured in accordance with PAS29:1999 Disposable Pulp Products For Use in Healthcare.

Suitable for

Hospitals

Nursing Homes

Personal Use

Medical Clinics

Disability Homes

User Guide

Place the Midi Slipper Pan Liner over the plastic midi slipper pan support.

Slide the Midi Slipper Pan Liner with support under the buttock. To prevent spills, place a sheet of incontinence pad under the Midi Slipper Pan.

After use, remove the Midi Slipper Pan Liner with support, place a lid cover over it to contain the odour and sight.

Dispose the Midi Slipper Pan Liner directly into macerator or empty the content from the midi slipper pan liner before disposing into appropriate waste bins.

Note: DO NOT dispose the plastic support into macerator.
