Manufacturer of Moulded Pulps

GENERAL SEMI BOWL 1500ML

Eco-Friendly Medical Pulp

Made from
BIODEGRADABLE
Double Lined Kraft

Designed for Single Use to
Reduce Risk of Infection

The General Semi Bowl with 1.5L rated capacity is made from eco-friendly biodegradable kraft material, intended for use as vomit bowl or sampling of urine and/or faeces by placing it over toilet bowl.

Manufactured as single-use disposable medical pulp to meet the requirement to hold water and/or human waste for a minimum period of four hours at an initial temperature of 35°C. Suitable for disposal into macerator which complies with PAS29:1999 "Disposable Pulp For Use in Healthcare".

Suitable for

Hospitals

Nursing Homes

Personal Use

Medical Clinics

Disability Homes

User Guide

For vomiting, hold the General Semi Bowl with both hands below the chin and vomit into it.

For sampling, raise the toilet seat lid, place the General Semi Bowl over the toilet bowl (place front for urine or rear for faeces) and lower the lid.

Read and record volume of the liquid from the level markings.

Dispose the General Semi Bowl directly into macerator or empty liquid from the bowl before disposing into appropriate waste bins.
