

LID FOR GENERAL PURPOSE POT 2L

Eco-Friendly Medical Pulp

Designed for Single Use to
Reduce Risk of Infection

Lid for General Purpose Pot Biodegradable Medical Pulp

This lid is designed to fit securely onto the General Purpose Pot (GPP2000), providing a hygienic solution for fluid handling. A central hole allows caregivers to drain urine bags easily while minimizing splashes. After use, the lid can be disposed of along with the pot in a macerator or appropriate waste bin. Made from biodegradable materials, it supports sustainable and eco-friendly waste management practices.

Manufactured in accordance with PAS29:1999 Disposable Pulp Products For Use in Healthcare.

Suitable for

Hospitals

Nursing Homes

Personal Use

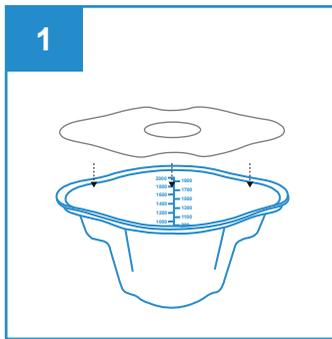

Medical Clinics

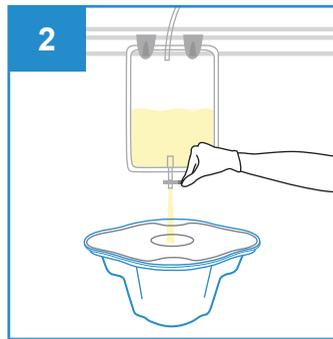

Disability Homes

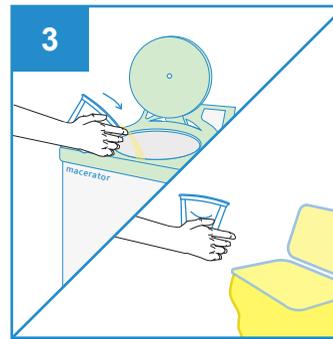

User Guide

Place lid over General Purpose Pot.

Place General Purpose Pot directly under urinal bag. Drain urine through the lid hole to prevent splashes.

Dispose the General Purpose Pot with lid directly into macerator or into appropriate waste bins.
