

Lid for General Wash Bowl 4L Biodegradable Medical Pulp

This lid is designed to cover the 4L General Wash Bowl (GWB4000), helping reduce odors and conceal waste before disposal. Fully macerator-friendly and made from biodegradable materials, it supports sustainable and eco-friendly waste management practices in healthcare settings.

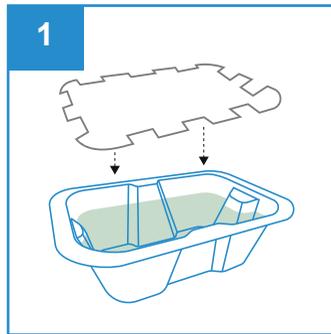

Manufactured in accordance with PAS29:1999 Disposable Pulp Products For Use in Healthcare.

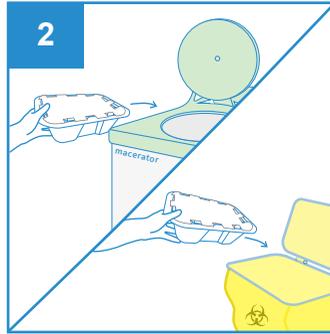

Slits and cut-outs help to catch the macerator blades and makes it easier to tear and shred.

User Guide

After use, place a lid cover over the General Wash Bowl to contain the odour and sight.

Dispose the lid and General Wash Bowl directly into the macerator or into an appropriate waste bins.
