Intended Use

For the purpose of patient treatment and monitoring, the Bedpan Liner Graduated with 2L rated capacity is made from eco-friendly biodegradable kraft material, intended for use as receptacle for urine and/or faeces. To use the bedpan liner, place it over a plastic or moulded pulp support. Alternatively, the bedpan liner can also be placed under commode chair for toileting.

Caution

Do not dispose the plastic support into macerator

User Guide

1 Place Bedpan Liner over the plastic or disposable moulded pulp bedpan support.

2 Slide the Bedpan Liner with support under the buttock. To prevent spills, place a sheet of incontinence pad under the bedpan.

3 After use, remove the Bedpan Liner with support, place a lid cover over it to contain the odour and sight.

4 Dispose the Bedpan Liner with disposable support directly into macerator or empty the content from Bedpan Liner before disposing into appropriate waste bins.
