Product Image

Intended Use

For the purpose of patient treatment and monitoring, the General Semi Bowl Graduated with 1.5L rated capacity is made from eco-friendly biodegradable kraft material, intended for use as vomit bowl or sampling of urine and/or faeces by placing it over toilet bowl.

User Guide

For vomiting, hold the General Semi Bowl with both hands below the chin and vomit into it.

For sampling, raise the toilet seat lid, place the General Semi Bowl over the toilet bowl (place front for urint or rear for faeces) and lower the lid.

Read and record volume of the liquid from the level markings.

Dispose the General Semi Bowl directly into macerator or empty liquid from the bowl before disposing into appropriate waste bins.
