Intended Use

For the purpose of patient treatment and monitoring, the Food Grade Anaesthetic Tray with 2-Compartment is made from eco-friendly biodegradable sugarcane bagasse, intended for use as multi-purpose tray to carry ampoules at the small compartment, surgical instruments, dressings, wipes, creams and other medical items at the large compartment. It is designed with smooth inner finishing and meshed outer surface for extra grip.

Caution

Do not pour alcohol based solutions into the 2-Compartment Tray.

User Guide

1
Place surgical items on the Anaesthetic Tray.

2
After use, dispose the Anaesthetic Tray into macerator or appropriate waste bins.
